

## **PRE-PUBLICATION ORDER FORM**

Lake Lanier's early history book is coming back! The history of the Buford Dam Project and Lake Sidney Lanier is now available as a pre-publication offer.\* The current \$59 pre-publication price is a 25% savings over the retail price of \$79.

This 9x12 hardback edition is beautifully packaged in its own multi-colored dust jacket. Inside you will find over 700 historical and contemporary photographs, many of which are new and were not part of the original prints. The history is also told through the use of diagrams, documents, interviews, letters, maps, newspaper articles and programs.

To order *A Storybook Site: The Early History and Construction of Buford Dam and Lake Sidney Lanier*, complete and mail the order form to the address listed below.

You can also purchase your advanced copy of Lake Lanier's early history online at [www.lakelanierhistory.com](http://www.lakelanierhistory.com).

Don't miss out on this opportunity and order your copy today.

\*This advanced ordering offer could last up to 16 months; however, the publisher expects to meet the goal much sooner than that. Should the pre-publication offer not raise the required money to print, then a full refund will be provided.
